## Pastoral Council Meeting Highlights

Monday, February 16, 2015

- Dave McGrath has resigned from the Pastoral Council because he is relocating to Florida with his wife Diane. The council wishes them the best of luck on their new adventure!
- Rebecca collected the Council's inputs on what we hope to gain from the LCC-wide retreat that is happening around Pentecost.
- Report from Tom Cronin about current Evangelization Committee plans. Committee is currently looking into Project Invitation and Project Easter Gift.
- Evangelization actions start with the individual. We are encouraging the council and our parishioners to choose one evangelization act that they feel comfortable doing and go for it! The goal is to make everyone in our Church community feel loved and welcome at all times.
