Meeting Date and Time: May 23, 2022, 6:00 pm

Location: St. Joseph's hall,

Minutes Prepared by: John Koch

Attendees: Mark Vanasdale, Deacon John Barone, John Koch, Bill Marzano, Bob Reinhardt, Steve Theiss, Jim Zanella.

Note: Previous meeting was on 3-28-2022

Discussion Topics & Actions:

- Steve presented the current funding status for the Reigniting Our Faith initiatives. The Parish will be realizing significantly less than in our original goals. Committee members were asked to review the original project list for prioritization and to add items that may have surfaced since the program started. The B&G Committee does strongly recommend that no funds are spent until the prioritization can be established and discussed with other stakeholders.
 - John did a final recap on the bathroom project. The only task remaining is the installation of cross pieces in the larger stalls and possibly an acid wash of the women's room. The project costs were significantly under budget. John will put together a closeout folder with pertinent documentation.
 - The St. Paul's cleanup was a success. It was noted that one of the oil tanks needs to be replaced.
 - Bob reported that the Diocesan inspection for insurance purposes went well. The only concern was the age of all of our water heaters. It was also recommended that "L" brackets be installed for the St. Joseph ambo.
 - Miscellaneous projects were discussed by the group. These included taking down trees to the west of St. Paul's and St. Joseph pavilion repairs.
 - We also want to burn the brush pile at St. Joseph's which will require support during that day.
 - **Next meeting will be on June 13th.**
